~~CONFIDENTIAL~~

Hand-carried to St/A at 1445

19 February 1957

MEMORANDUM FOR: Chief, Intelligence Information Staff, Requirements Branch
THROUGH: Chief, Administrative Staff
THROUGH: Chief, Industrial Division

FROM: Chief, Medium Machinery Branch

SUBJECT: Request for permission to attend a panel discussion on automation and atomic energy in the USSR.

1. A panel discussion is to be held at 10 A.M., 20 February 1957, at the Willard Hotel on the above subjects. This discussion is part of the local observance of Engineers Week.

2. Permission is requested to attend this session. I will take no part in the discussions and will not reveal any affiliation with CIA. The subject of automation is directly related to my present job responsibility.
